Haiku Design and Analysis Response to Commission Scoping Paper  
Appendices A and C (Non-Legal Questions)

Haiku Design and Analysis (HDA) does not have specific information regarding the resource cost information requested by the Commission in Appendix A of the National Regulatory Research Institute (NRRI) scoping paper titled Feed-in Tariffs: Best Design Focusing Hawaii's Investigation.

In any event, with apologies to the Commission and parties, HDA is not able to submit a timely response to the non-legal questions in Appendices A and C due to time constraints and other commitments. HDA is not requesting a continuance and does not intend to submit a response unless further requested or compelled by the Commission.

Correct copies of this letter are being served today, January 24, 2009, to the Division of Consumer Advocacy (two copies by first class mail) and all parties in Docket No. 2008-0273 (by electronic transmission).

Respectfully,

Carl Freedman
